Quick Pre-Launch Gut Check

If you can honestly check these five, you're ready to launch - everything else can improve after you're live:

- ☐ I can explain my offer in one sentence
- ☐ I know exactly who I'm selling to
- ☐ Someone can actually pay me or book me right now
- ☐ I have at least one way for a new person to find me
- ☐ I have a next step ready for the first person who says "yes"

Perfection is not the bar. A real, working, honest offer that a real customer can say yes to today - that's the bar.
