AI Business Launch Kit 2026 - sold via Aqvani.shop

This license explains what you can and can't do with this digital product. It is written in plain language for clarity, but it is not a substitute for professional legal advice - if you have a specific situation you're unsure about, please consult a qualified attorney.

By purchasing and/or using the AI Business Launch Kit 2026 ("the Kit"), you agree to the terms below.

Personal & Commercial Use - What You CAN Do

- Use every template, worksheet, prompt, checklist, and framework in this Kit to build, run, and grow your own business.
- Use the AI prompts to generate your own marketing copy, offers, content, and business materials, and use that generated content commercially in your own business.
- Print worksheets and checklists for your own personal or business use.
- Adapt, customize, and rewrite any template or example to fit your own brand, offer, and voice.
- Use the systems in this Kit to serve your own clients or customers, where the output is your finished work product (e.g., using the offer-builder framework to create an offer for your own client).

What You CANNOT Do - Redistribution & Reselling Restrictions

- You may not resell, share, distribute, or give away the Kit itself (in whole or in part) as your own product or as a free giveaway.
- You may not upload the Kit's files to any other marketplace, website, file-sharing service, or "free download" site.
- You may not repackage the Kit's worksheets, prompts, or templates and sell them as your own standalone digital product.
- You may not claim authorship of the Kit's original content, structure, or systems as your own intellectual creation.
- You may not use the Kit to train, fine-tune, or build a competing AI product or dataset.

Copyright

The AI Business Launch Kit 2026, including its text, structure, worksheets, prompts, and design, is the copyrighted work of its creator and is licensed to you for the uses described above. Purchasing the Kit grants you a license to use it - it does not transfer ownership or copyright of the Kit's content to you.

AI-Generated Content & Customization

Many components of this Kit are designed to help you generate your own content using AI tools (Claude, ChatGPT, or similar). Content you generate using these prompts, customized with your own business

details, is yours to use commercially. You are responsible for:

- Reviewing and fact-checking any AI-generated output before publishing or sending it
- Ensuring any claims you make in your own marketing are honest and substantiated
- Complying with the terms of service of any third-party AI tool or platform you use alongside this Kit

No Guarantees

This Kit is an educational and practical business toolkit. It does not guarantee any specific business outcome, income level, or result. Your results depend on your market, effort, offer, and many factors outside this Kit's control. Nothing in this Kit should be read as a promise of income or success.

Updates

From time to time, this Kit may be updated or revised (e.g., to reflect changes in AI tools or best practices). Updates, if any, will be made available through Aqvani.shop to original purchasers.

Questions

If you have questions about what's permitted under this license, or you'd like to request permission for a use not covered above, please reach out through Aqvani.shop before proceeding.

This document is provided for general informational purposes and does not constitute legal advice. For guidance specific to your situation, consult a licensed attorney in your jurisdiction.
