03 — UGC Photo Templates

24 Static Ad Layouts for Feed, Stories, Carousels & Paid Social

How to Use These Templates

Each photo template card includes: **headline**, **supporting text**, **CTA**, **photo direction**, **layout structure**, **recommended ratio** and **example copy**.

Standard sizes

Ratio	Pixels	Best for
4:5	1080 × 1350	Instagram & Facebook Feed (recommended default — takes the most screen space)
1:1	1080 × 1080	Feed, marketplace, carousel
9:16	1080 × 1920	Stories, Reels cover, TikTok photo mode
2:3	1000 × 1500	Pinterest

Layout legend used in the diagrams: [IMG] photo area · [H] headline · [S] supporting text · [CTA] button/pill · [LOGO] small logo · [UI] native-style element (bubble, comment, star row)

The 3-second rule: a static UGC ad must be understood in 3 seconds. Headline ≤ 8 words. Supporting text ≤ 20 words. One CTA.

P01 · The Selfie Testimonial

Headline	"I didn't expect to love it this much."
Supporting text	[Customer first name], [timeframe] using [Product]
CTA	See why →
Ratio	4:5

Photo direction: Front-camera selfie of the customer (or creator) holding the product near their face. Natural light, genuine smile, everyday background. No heavy retouching.

Layout structure

[H] quote, top-left
[IMG] selfie + product
[S] name · timeframe
[CTA pill] [LOGO]

Headline in a white rounded box with 90% opacity. Name in small caps below.

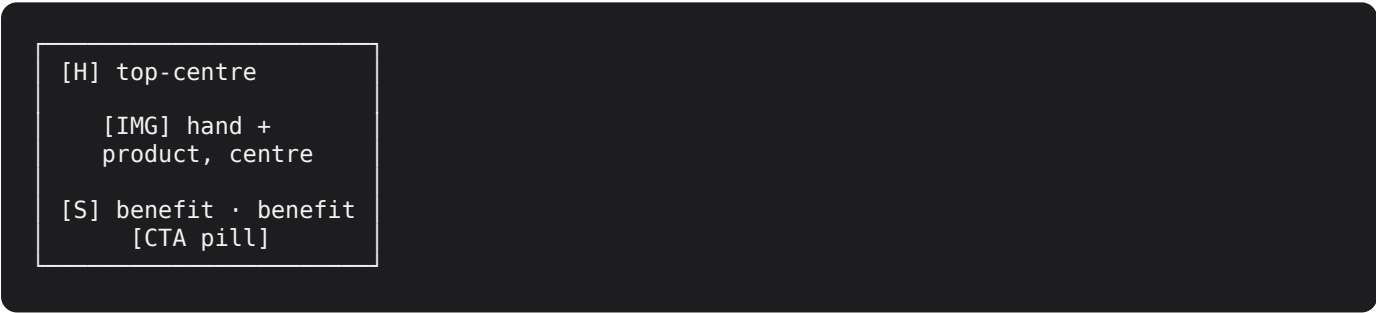

Example copy — "Solenne Barrier Cream": Headline: "My skin finally stopped feeling tight." · Supporting: "Priya, 6 weeks with Solenne" · CTA: "See why →"

P02 · Product-in-Hand

Headline	"The [category] I keep in my bag."
Supporting text	[One benefit] · [second benefit]
CTA	Shop now
Ratio	4:5 or 1:1

Photo direction: Close-up of a hand holding the product, label facing camera, soft-focus real-life background (street, café, car, gym). Nails/hand natural and tidy.

Layout structure

Example copy — "Lumora Lip Oil": "The lip oil I keep in every bag." · "Not sticky · lasts through coffee" · "Shop now"

P03 · The Product-on-Desk Flat Lay

Headline	"My [workday/morning] essentials."
Supporting text	Labels pointing to each item
CTA	Get the [Product]
Ratio	4:5

Photo direction: Top-down shot of a real desk/counter with 3–5 items; your product in the centre-right "sweet spot". Coffee cup, notebook, phone for context.

Layout structure

```
[H] top-left
[IMG] overhead
item ←label
[PRODUCT] ←★label
item ←label
[CTA] [LOGO]
```

Handwritten-style arrow labels pointing to items; your product gets a ★.

Example copy — "DeskNest Monitor Riser": "My WFH setup essentials." · Labels: "notebook", "DeskNest ★ fixed my neck", "the good pen" · "Get the DeskNest"

P04 · The Honest Before / After

Headline	"Same [spot], [time] apart."
Supporting text	No filter. Same lighting. Just [Product].
CTA	Try it yourself
Ratio	4:5 (split vertically) or 1:1 (split horizontally)

Photo direction: Two photos from an identical angle and light. Left/top = before, right/bottom = after. Label each clearly.

Layout structure

BEFORE [IMG]	AFTER [IMG]
[H] [S] no filter note [CTA] [LOGO]	

Example copy — "Brightwell Grout Pen": "Same bathroom, 20 minutes apart." · "No filter. Same lighting. Just Brightwell." · "Try it yourself"

Compliance: results must be real and typical. For skincare/health, check platform policies on before/after imagery.

P05 · The Screenshot Testimonial

Headline	"Got this message this morning 🥺"
Supporting text	The screenshot itself
CTA	Shop the one they love

Ratio

4:5 or 9:16

Photo direction: A real customer message/email/review recreated as a clean, generic chat or text card (not a copy of any specific app's interface). Name blurred or first name only.

Layout structure

Soft neutral background (beige, light grey or a blurred product photo).

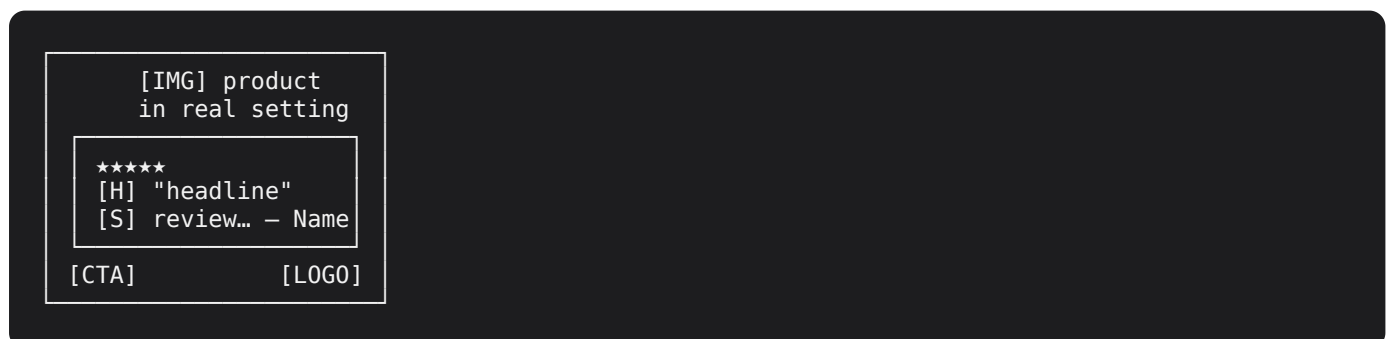

Example copy — "Stridewell Insoles": "Got this message this morning 😊" · Message: "Did my first 12-hour shift in these and didn't sit down once on my break to rub my feet. Ordering for my sister." · "Shop the ones she loves"

P06 · The Star-Rating Review Card

Headline	[Short review headline from a real customer]
Supporting text	★★★★★ + 1–2 lines of the review
CTA	Read more reviews
Ratio	1:1 or 4:5

Photo direction: Lifestyle product photo filling the background with a review card overlay in the lower half.

Layout structure

Example copy — "Oatridge Granola": ★★★★★ "Finally, protein that tastes like breakfast" · "Crunchy, not too sweet, keeps me full till lunch. — Tom R." · "Read more reviews"

Only show ratings and reviews that are real and verifiable.

P07 · The Lifestyle Moment

Headline	"[Moment] hits different with [Product]."
Supporting text	One line setting the scene
CTA	Get yours
Ratio	4:5

Photo direction: Candid lifestyle photo — product used naturally in a real moment (Sunday coffee, post-workout, cosy evening). Person partially visible (hands, profile). Warm tones.

Layout structure

```
[IMG] full-bleed
lifestyle photo

[H] bottom-left
[S]
[CTA]           [LOGO]
```

Subtle dark gradient at the bottom 25% only, for text legibility.

Example copy — "Hearthly Candles": "Sunday evenings hit different with Cedar & Smoke." · "Wooden wick crackle included." · "Get yours"

P08 · The Problem / Solution Split

Headline	Problem: "[pain]" / Fix: "[Product]"
Supporting text	One line explaining the fix
CTA	Fix it now
Ratio	4:5

Photo direction: Top half: photo of the problem (tangled cables, messy desk, dull skin close-up). Bottom half: product solving it.

Layout structure

```
× [H] the problem
  [IMG] problem

✓ [H] the fix
  [IMG] product
[S] [CTA] [LOGO]
```

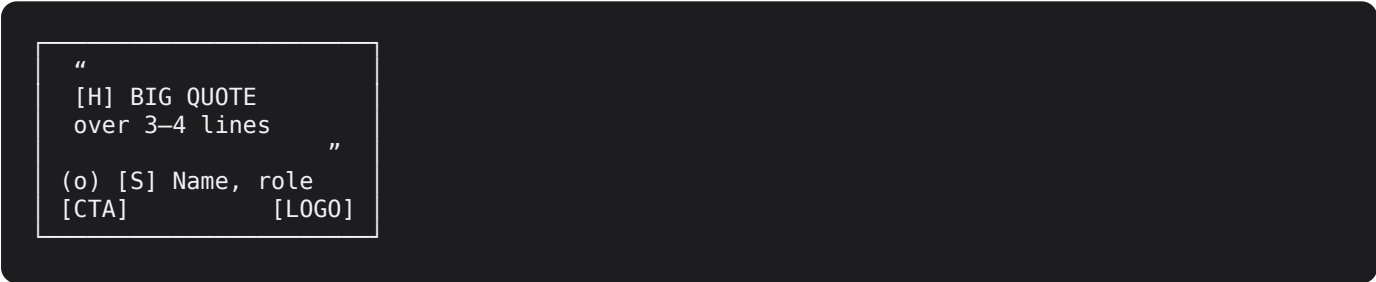

Example copy — "Hookline Cable Clips": ❌ "Charger fell behind the desk again" / ✅ "Clipped. Sorted. Forever." · "Stick-on clips that hold every cable in place." · "Fix it now"

P09 · The Quote Card Testimonial

Headline	A big, bold customer quote
Supporting text	Customer name, role/location
CTA	Join [them]
Ratio	1:1 or 4:5

Photo direction: Solid brand-colour or soft-texture background, small product image or customer photo in a circle.

Layout structure

Oversized quotation mark as a design element.

Example copy — "Tallyloop": "I haven't written a 'just following up' email in four months." · "Jess, freelance designer" · "Try Tallyloop free"

P10 · The "My Top Pick" Recommendation

Headline	"If you only buy one [category], make it this."
Supporting text	3 reasons with ticks
CTA	Shop my pick
Ratio	4:5

Photo direction: Creator holding product and pointing at it, or product alone with a "My pick" sticker.

Layout structure

```
[H] two lines
[IMG] product +
"MY PICK" sticker
✓ reason
✓ reason
✓ reason
[CTA] [LOGO]
```

Example copy — "Moverly Bands": "If you only buy one piece of home gym gear, make it this." · ✓ 3 resistance levels ✓ No rolling ✓ Fits in a drawer · "Shop my pick"

P11 · The Unboxing Flat Lay

Headline	"What came in the box 📦"
Supporting text	Labelled contents
CTA	Get the full set
Ratio	4:5 or 1:1

Photo direction: Top-down shot of open box, packaging, tissue and every item laid out neatly beside it.

Layout structure

```
[H] top-left
[IMG] open box +
items fanned out
↔label ↔label ↔label
[S] "+ handwritten
note ❤️"
[CTA] [LOGO]
```

Example copy — "Solenne Routine Set": "What came in my Solenne box 📦" · Labels: cleanser, barrier cream, tinted balm, travel pouch · "Get the full set"

P12 · The Honest Comparison Table

Headline	"[Product] vs the usual way"
Supporting text	4-row comparison with ✓ / ✗
CTA	Make the switch
Ratio	4:5

Photo direction: Product photo at top; comparison table below. Compare against a generic alternative ("the usual way", "DIY", "most [category]") — never a named competitor.

Layout structure

Example copy — "Kettlewise": "Kettlewise vs the saucepan method" · Rows: exact temperature ✓/✗ · holds heat ✓/✗ · precise pour ✓/✗ · 3-minute boil ✓/✗ · "Make the switch"

Only include comparisons you can back up.

P13 · The Comment Overlay

Headline	A real comment/question as a bubble
Supporting text	Your short reply
CTA	See it here
Ratio	4:5 or 9:16

Photo direction: Product in use photo with a floating comment bubble and a reply bubble — a generic rounded design, not a specific app's UI.

Layout structure

Example copy — "Nimbra Bottle": Comment: "Does it actually fit in a car cup holder??" · Reply: "Yep — the base tapers. Tested in 6 cars 🚗" · "See it here"

P14 · The Notes-App List

Headline	"Things I stopped buying after [Product]"
Supporting text	A plain list of 4–5 items
CTA	Simplify yours
Ratio	9:16 or 4:5

Photo direction: Minimal, plain-paper or lined-note style background with simple sans-serif or handwriting font (generic design, no app branding). Small product photo in corner.

Layout structure

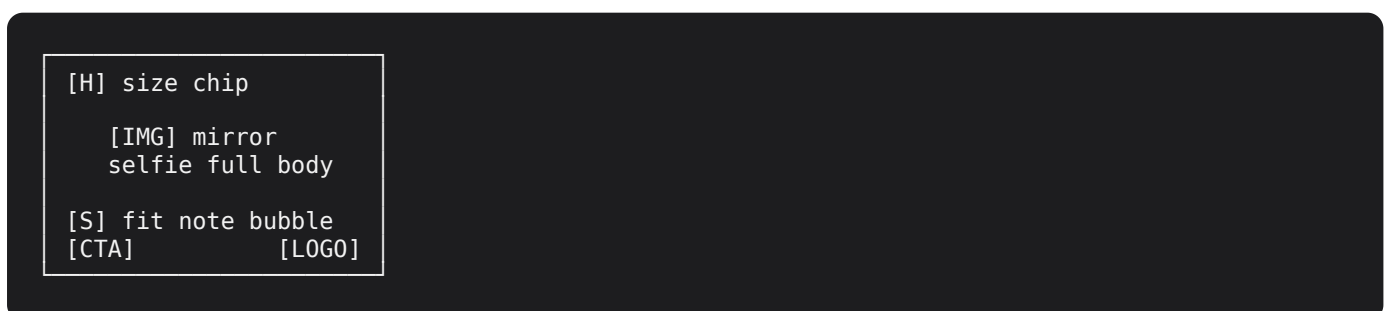

Example copy — "Solenne Tinted Balm": "Things I stopped buying after Solenne Tinted Balm" · – separate lip balm – cream blush – highlighter stick – "overnight" lip mask · "Simplify yours"

P15 · The Mirror Selfie Outfit / Fit

Headline	"[Height] · wearing size [X]"
Supporting text	Fit note in the creator's words
CTA	Find your size
Ratio	9:16 or 4:5

Photo direction: Full-length mirror selfie, phone visible, everyday room. Natural pose.

Layout structure

Example copy — "Wrenwear Wide-Leg Trousers": "5'6" · wearing size 10" · "Room at the waist, just skims the ankle. Comfy enough for a long train ride." · "Find your size"

P16 · The Stat Callout

Headline	A big, true number
Supporting text	What the number means
CTA	See the proof
Ratio	1:1 or 4:5

Photo direction: Product photo on one side, huge number on the other, clean background.

Layout structure

Example copy — "Nimbra": "24 hrs" · "Ice still there the next morning. We tested it in a hot car." · "See the test"

Only use numbers you can substantiate (tests, real customer counts, specifications).

P17 · The Hand-Written Note

Headline	Handwritten message on paper/card
Supporting text	Signature (founder or customer)
CTA	Shop small
Ratio	4:5

Photo direction: Photo of a real handwritten card next to the product on a wooden table or packing station.

Layout structure

Example copy — "Hearthly Candles": Card: "Every candle is poured by hand in my kitchen in Leeds. Thank you for keeping this tiny business going. – Em" · Caption: "Small batch, big love" · "Shop small"

P18 · The Carousel Story (5 slides)

Headline	Slide 1: hook that forces a swipe
Supporting text	Slides 2–4: story; Slide 5: CTA
CTA	Slide 5: [CTA]
Ratio	4:5 per slide

Photo direction: Consistent style across slides; each slide = one idea. Slide 1 is creator/product photo with bold text.

Layout structure

[1 HOOK] → [2 PROBLEM] → [3 DISCOVERY] → [4 RESULT] → [5 CTA]
bold text photo + product result product +
+ photo 1 line photo + line photo + line CTA button

Add a small "swipe →" cue on slide 1.

Example copy — "Brightpath Budget Planner": 1: "How I found £310 a month I didn't know I had →" · 2: "I thought I was bad with money." · 3: "Turns out I just couldn't see it all in one place." · 4: "Month one: 4 forgotten subscriptions, 1 overpriced phone plan." · 5: "The planner I used → Brightpath. Link in bio."

P19 · The "Tag Someone Who" Relatable

Headline	"Tag someone who [relatable habit]"
Supporting text	Product as the fun solution
CTA	Gift them this
Ratio	1:1 or 4:5

Photo direction: Slightly humorous candid image of the relatable problem, product inset.

Layout structure

[H] tag someone who...
[IMG] relatable
moment
(inset product)
[S] solution line
[CTA] [LOGO]

Example copy — "Pawpebble Brush": "Tag someone whose sofa is 40% dog hair" · "One brush. Way less fluff."
· "Gift them this"

P20 · The Behind-the-Scenes Maker Shot

Headline	"How your [Product] is made"
Supporting text	One sentence about the process
CTA	Shop the batch
Ratio	4:5

Photo direction: Real workshop/kitchen/workspace — hands making, pouring, packing. Slightly imperfect framing.

Layout structure

Example copy — "Oatridge Granola": "How your granola is made" · "Baked in small batches, 12 trays at a time, every Tuesday and Friday." · "Shop this week's batch"

P21 · The FAQ Answer Card

Headline	"Q: [common question]"
Supporting text	"A: [short honest answer]"
CTA	More answers →
Ratio	4:5

Photo direction: Product photo in background, Q&A card in foreground.

Layout structure

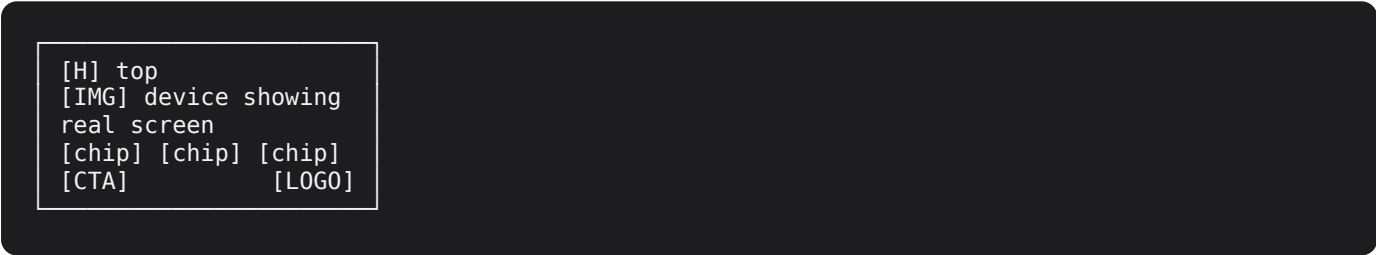

Example copy — "Solenne Barrier Cream": "Q: Will it break me out?" · "A: It's fragrance-free and non-comedogenic. Patch test first if your skin is very reactive." · "More answers →"

P22 · The Digital Product Mockup Screenshot

Headline	"The [template/tool] I use to [result]"
Supporting text	3 feature chips
CTA	Download it
Ratio	4:5

Photo direction: Real screenshot of your digital product on a generic phone/laptop frame, held in hand or on a desk.

Layout structure

Example copy — "Brightpath": "The planner I use to know exactly where my money goes" · [Auto-totals] [Debt tracker] [Works in any spreadsheet] · "Download it"

P23 · The Offer Card (Honest Promo)

Headline	"[Offer] until [date]"
Supporting text	What's included / condition
CTA	Grab the offer
Ratio	1:1, 4:5 or 9:16

Photo direction: UGC-style product photo (in hand or in use) with a simple offer sticker — not a loud "SALE" banner.

Layout structure

[sticker] offer
[IMG] product in use
[H] offer + date
[S] terms line
[CTA] [LOGO]

Example copy — "Hearthly": "3 for 2 on all candles until Sunday" · "Mix any scents. Ends Sunday 11:59pm GMT." · "Grab the offer"

P24 · The Community Wall (UGC Grid)

Headline	"You, using [Product] ❤️"
Supporting text	"Tag us to be featured"
CTA	Join them
Ratio	1:1 or 4:5

Photo direction: 2×2 or 3×3 grid of real customer photos (with permission), product visible in each.

Layout structure

[H]
[IMG][IMG][IMG]
[IMG][IMG][IMG]
[S] tag us note
[CTA] [LOGO]

Example copy — "Nimbra": "You, taking Nimbra everywhere ❤️" · "Tag @nimbra to be featured" · "Join them"
