05 — 50 CTA Ideas (Bonus 2)

Calls-to-Action for Every Industry, Funnel Stage and Platform

How to Use This Library

- **Match the CTA to commitment level.** Cold audiences get low-commitment CTAs ("See how it works"). Warm audiences get direct CTAs ("Get yours today").
- **Say it AND show it.** Voiceover CTA + on-screen text + a gesture (pointing down/at the caption).
- **One CTA per ad.** Two CTAs split attention.
- **Match the platform button.** If the ad button says "Shop Now", the spoken CTA should lead to shopping, not "learn more".

Legend:  Low commitment (cold) ·  Medium (consideration) ·  Direct (warm / retargeting)
