09 — AI UGC Script Prompt Pack (Bonus 6)

24 Copy-and-Paste Prompts for ChatGPT, Claude or Any AI Assistant

Before You Start: Your Brand Brief

Paste this brief at the top of any conversation (or save it as a custom instruction / project instruction). Every prompt below gets better when the AI knows these details.

```
BRAND BRIEF
Product name: [ ]
What it is (one sentence): [ ]
Price: [ ]
Who buys it (age, lifestyle, situation): [ ]
Top 3 problems it solves: [ ]
Top 3 benefits (in customer words): [ ]
Proof I can honestly use (reviews, stats, tests): [ ]
Biggest objections: [ ]
Brand voice (3 adjectives): [ ]
Words/claims to avoid: [ ]
Platforms: [ ]
```

Rules to add to every prompt (already included below): no guaranteed results, no invented reviews or statistics, conversational spoken English, short sentences.

A. Script Generation (8)

Prompt 01 — Five Scripts From One Formula

Using my brand brief, write 5 different UGC video scripts for [PRODUCT] using this formula: HOOK → PROBLEM → DISCOVERY → DEMO → RESULT → CTA. Each script: 20–25 seconds when spoken, one sentence per block, written how a real person talks to their phone camera. For each script include a table with columns: Time | Visual | On-screen text (max 8 words) | Voiceover. Use a different hook angle for each (curiosity, problem, confession, POV, story). Do not invent statistics, reviews or guaranteed results.

Prompt 02 — Fill a Kit Template

Here is a UGC ad template from my kit:
[PASTE TEMPLATE CARD]
Rewrite it completely for my product using my brand brief. Keep the timing and structure. Replace every [bracket]. Give me: hook, full timeline

Prompt 03 — Honest Review Script

Write a 30-second honest review script for [PRODUCT] in the format: CLAIM → 2 PROS → 1 MINOR CON → VERDICT → CTA. The con must be realistic and minor (e.g., [price/colour options/size]). Tone: calm, balanced, not hyped. Include on-screen text for each section.

Prompt 04 — Founder Story

Interview me to write a founder-story UGC ad. Ask me 6 questions one at a time about why I started [BRAND], the problem, early versions, and what I learned. After my answers, write a 30–40 second founder script (formula: PERSONAL PROBLEM → FAILED SEARCH → BUILD → RESULT → INVITATION) using only the facts I provide.

Prompt 05 — Screen-Record Demo (SaaS/Digital)

Write a 25-second screen-recording UGC script for [APP/DIGITAL PRODUCT]. The creator appears in a face bubble. Show: the task, the 1–2 features that make it fast, the finished result. Output a timeline with: Time | What's on screen | Cursor/zoom instruction | On-screen text | Voiceover.

Prompt 06 — Sceptic Flip

My customers' biggest objection is: "[OBJECTION]". Write 3 UGC scripts (20–30s) using the formula DOUBT → OBJECTION → TEST → SURPRISE → PROOF → CTA. Each should voice the objection in a different way.

Prompt 07 — Educational Value-First Script

Write a "3 mistakes" educational UGC script for people interested in [TOPIC]. Mistakes 1 and 2 must be genuinely useful free advice that does NOT require the product.

Prompt 08 — Offer Script (Honest)

Write 3 short UGC scripts (12–18s) promoting this real offer: [OFFER DETAILS, END DATE/TIME].
Tone: friendly reminder, not pushy. No fake scarcity, no "last chance ever", no invented stock levels. State the real end date clearly.

B. Hooks & Angles (5)

Prompt 09 — 30 Hooks by Angle

Write 30 UGC video hooks for [PRODUCT] – 3 each for these angles: curiosity, problem, story, confession, review, product discovery, educational, Each hook: under 15 words, sounds like natural speech, specific to my customer's real situation. No clickbait claims.

Prompt 10 — Hooks From Real Reviews

Here are real customer reviews:
[PASTE REVIEWS]
Pull out the most vivid phrases customers use, then write 15 UGC hooks that use their exact language. Label which review each hook came from.

Prompt 11 — Angle Finder

Based on my brand brief, list 10 distinct advertising angles for UGC ads (e.g., time saved, identity, gifting, replacing multiple products, avoid). For each angle give: who it's for, the core emotion, one hook, and which template type suits it (problem/solution, discovery, testimonial, demo,

Prompt 12 — Visual Hook Ideas

For [PRODUCT], suggest 15 first-frame visuals (0–2 seconds) that would stop someone scrolling, without needing text or sound. Must be filmable o

Prompt 13 — Hook Variations for Testing

Here is a winning UGC ad script:
[PASTE SCRIPT]
Keep everything after the first 3 seconds identical. Write 10 alternative openings (hook line + on-screen text + first visual) so I can A/B test

C. Captions, CTAs & Copy (4)

Prompt 14 — Captions

Write 5 captions for this UGC video: [PASTE SCRIPT].
Mix lengths: 2 short (1 line), 2 medium (3 lines), 1 story-style (5–6 lines). Each ends with a clear CTA and one engagement question. Max 3 rele

Prompt 15 — Paid Ad Copy Set

Turn this UGC video script into paid social ad copy: [PASTE SCRIPT].
Give me: 5 primary text options (under 125 characters each), 5 headlines (under 40 characters), and 3 descriptions (under 30 characters). Keep c

Prompt 22 — Script Critic

Act as a strict UGC ad editor. Review this script: [PASTE SCRIPT].
Score it 1-10 on: hook strength, clarity, authenticity (sounds natural?), visual potential, CTA clarity, and compliance (any unsupported claims?)

Prompt 23 — Compliance Check

Review this ad script and caption for claims that could be misleading or break advertising platform policies: [PASTE].
Flag: unsupported results, health/income claims, fake urgency, implied endorsements, before/after issues. Suggest compliant rewrites for each fl
Note: I will still check the platform's current ad policies myself.

Prompt 24 — Repurpose One Video Into Ten

Here is my best-performing UGC ad script: [PASTE].
Repurpose it into: 3 new video variations (different hooks/formulas), 3 static photo ads, 1 carousel (5 slides), 1 story sequence (4 frames), 1

Prompting Tips

1. **Give real inputs.** Paste reviews, FAQs and product specs — the AI can't invent proof you don't have (and shouldn't).
2. **Ask for tables.** Timeline tables drop straight into your shooting plan.
3. **Iterate:** "Make it sound more casual", "Shorter — 15 seconds", "Less salesy", "More specific to [customer type]".
4. **Always fact-check** every claim before filming. You are responsible for what your ads say.
